Experience

Chess Wizards — CA
Chess Instructor — Jan. 2024–Apr. 2024

- Led group chess instruction for children of varying experience levels, teaching tactics, strategy, opening principles, endgame fundamentals, and sportsmanship.

Mathnasium — Garden Grove, CA
Math Instructor — June 2023–Dec. 2023

- Provided individualized mathematics instruction to students across varying grade levels and skill levels.
- Identified conceptual gaps and adapted explanations, examples, and practice problems to individual student needs.

Independent Mathematics Tutor — Remote
Math Instructor — Mar. 2019–Present

- Provided individualized online mathematics tutoring to high school, community college, and university students across algebra, precalculus, Calculus I–III, discrete mathematics, linear algebra, and proof-based courses.
- Developed intuitive explanations by deriving formulas and concepts from first principles and reinforcing them through progressively challenging problems.
- Helped students achieve substantial academic improvements, including a D-to-A course turnaround and intensive Calculus II exam preparation resulting in a perfect exam score.
- Designed customized exam-preparation plans targeting conceptual gaps and difficult problem types.

Independent Chess Tutor Remote
Chess Instructor Mar. 2019–Present

- Provided one-on-one chess instruction tailored to students.
- Designed lessons around tactical pattern recognition, positional understanding, calculation, and post-game analysis.

Leadership & Activities

Cypress College Associated Students Cypress, CA
Senator 2023–2024

- Represented student interests within Associated Students and participated in campus governance and student leadership initiatives.
- Communicated student concerns and contributed to discussions surrounding institutional programs and initiatives.

Cypress Chess Club Cypress, CA
Founder/President 2023–2024

- Founded and led a student chess organization focused on instruction and competitive improvement.
- Organized meetings, instructional activities, chess events, and a campus simultaneous exhibition.
- Taught newer players and created an inclusive environment for students ranging from beginners to experienced competitors.

Cypress College Governance Cypress, CA
Technology Committee A.S. Representative

- Contributed student feedback regarding technology initiatives affecting teaching, learning, and administrative services.
- Participated in discussions concerning technology priorities, resource utilization, and integration with broader college planning.
